Re: WC Docket No. 10-90 Public Notice DA 17-561 Released June 8, 2017

Dear Ms. Dortch:

The Wireline Competition Bureau released Public Notice DA 17-561 on June 8, 2017, which included an updated list of census blocks eligible for Connect America Phase II Support. The Bureau invited commenters to identify census blocks that are included on the Phase II eligibility list that are within a rate-of-return carrier's study area boundary. SkyLine Telephone Membership Corporation ("SkyLine"), a rate-of-return carrier, has identified the following census blocks on the 'CAM Eligible List,' which are at least partially located within SkyLine's Study Area Code, 230501:

370059501003056
370099704002002
370099705004057
370119302001093

SkyLine also identified the following census block on the 'Unclaimed Not On Eligible' tab of the spreadsheet that is at least partially located within SkyLine's Study Area Code, 230501:

370099708001006

Respectfully,

/s/ Steven Hardin
